## Education

**PhD-Computer Science**, May 2010

Columbia University, New York NY

Thesis title: “Metamorphic Testing Techniques to Detect Defects in Applications without Test Oracles”

Advisor: Prof. Gail Kaiser

**MS-Computer Science**, May 2006

Columbia University, New York NY

**BS-Computer Engineering**, *summa cum laude*, Sept 1995

Boston University, Boston MA

## Academic Experience

**Visiting Assistant Professor**, Aug 2023 - present

Swarthmore College Computer Science Department, Swarthmore PA

Currently teaching courses in programming and software engineering.

**Senior Lecturer and Program Coordinator**, Aug 2020 - July 2023

Bryn Mawr College Department of Computer Science, Bryn Mawr PA

Responsible for teaching undergraduate courses and fostering community within the Computer Science Department.

**Associate Professor of Practice**, Jul 2013 - Jul 2020

University of Pennsylvania Dept. of Computer and Information Science, Philadelphia PA

Responsible for graduate and undergraduate software engineering courses.

Previously served as director of online and on-campus graduate programs.

**Lecturer**, Jul 2010 - Jun 2013

University of Pennsylvania Dept. of Computer and Information Science, Philadelphia PA

Taught systems and software engineering courses.

**Graduate Research Assistant**, Jun 2007 - May 2010

Columbia University Dept. of Computer Science, New York NY

Investigated and assessed approaches for testing software that does not have a reliable test oracle, particularly using metamorphic testing and runtime assertion checking.

**Preceptor (Graduate Student Instructor)**, Sep 2006 - May 2007

Columbia University Dept. of Computer Science, New York NY

Taught Introduction to Computer Science and Programming in Java (COMS W1004).

**Graduate Research Assistant**, Jun 2006 - Aug 2006

Columbia University Center for Computational Learning Systems, New York NY

Researched techniques for testing machine learning applications; developed user interface for visualization of electrical distribution networks.

## Industry Experience

**Senior Technology Consultant**, Mar 2005 - May 2006

Professional Access Limited, New York NY

Wrote requirements documents, managed the release cycle of an ASP .NET application, and coordinated QA efforts for an information security project for Citigroup.

**Chief Technology Officer**, Nov 2000 - Jul 2001

IconMedialab, London UK

Managed a group of 15 developers and helped define technical direction of company; reviewed software architecture and performed Java code reviews for London-based projects.

**Software Architect**, Sep 1996 - Sep 2000

Art Technology Group, Boston MA

Defined system requirements and technical architecture for clients' e-commerce projects in US and Europe; conducted product training for customers, technology partners, and internal sales.

**Technical Support Engineer**, Aug 1995 - Sep 1996

Digital Equipment Corporation, Littleton MA

Provided back-end support for systems management products.

## Awards and Honors

**DO-IT Trailblazer Award**, DO-IT (Disabilities, Opportunities, Internetworking, and Technology) Center, Univ. of Washington. For my work in making CS more inclusive of students living with mental health conditions. 2023.

**Rosalyn R. Schwartz Teaching Award**, Bryn Mawr College. The College's highest teaching honor. 2023.

**Provost's Award for Teaching Excellence by Non-Standing Faculty**, University of Pennsylvania. The University's highest teaching honor for full-time members of the associated faculty or academic support staff. 2019.

**Exemplary Paper Award**, "A Two-Course Sequence of Real Projects for Real Customers", by C. Murphy, S. Sheth, S. Morton. 48th ACM SIGCSE Technical Symposium on Computer Science Education. 2017.

**Best Paper Award**, "Application of Metamorphic Testing to Supervised Classifiers", by Xiaoyuan Xie, Joshua Ho, Christian Murphy, Gail Kaiser, Baowen Xu and Tsong Yueh Chen. 9th International Conference on Quality Software. 2009.

**Paul Charles Michelman Memorial Award for Exemplary Service**, Columbia University Dept. of Computer Science. Awarded each year by the Department of Computer Science to up to three Computer Science students for outstanding contributions to teaching in the Department and exemplary service to the Department and its mission. 2009.

**CS Service Award**, Columbia University Dept. of Computer Science. Awarded by the Department of Computer Science to those PhD students agreed to be in the top 10% in service contributions. 2008, 2009.

**Columbia University Presidential Teaching Award**. Honors the best of Columbia's graduate student teachers for the influence they have on the development of their students and their part in maintaining the University's longstanding reputation for educational excellence. 2007.

**Andrew P. Kosoresow Memorial Award for Excellence in Teaching and Service**, Columbia University Dept. of Computer Science. Given to a PhD student in Computer Science who has performed exemplary service to the department, devoting time and effort beyond the call to further the department's goals. 2006.

**Great TA Award**, Columbia University Fu Foundation School of Engineering and Applied Science. Given each semester to outstanding teaching assistants. Spring 2005, Fall 2005, Spring 2006.

**Tau Beta Pi**, Boston University College of Engineering. The Engineering Honor Society. 1995.

## Teaching Experience

### **Swarthmore College (2023 - present)**

- CPSC 021 Introduction to Computer Science: Spring 2024
- CPSC 071 Software Engineering: Fall 2023
- CPSC 091 Special Topics - Open Source Software Development: Fall 2024

### **Bryn Mawr College (2020 - 2023)**

- CMSC 113 Computer Science 1: Fall 2020 and Fall 2021
- CMSC 240 Principles of Computer Organization: Spring 2022 and Spring 2023
- CMSC 283 Special Topics - Software and Society: Fall 2022
- CMSC 353 Software Engineering: three times between Spring 2021 and Spring 2023
- CMSC 399 Senior Conference: Spring 2021
- EMLY 001 Emily Balch Seminar - Technology, Wellness, and Mental Health: Fall 2022

### **University of Pennsylvania (2010 - 2020)**

- CIS 121 Data Structures and Algorithms: Fall 2019
- CIS 350 Software Design and Engineering: eight times between Spring 2012 and Spring 2020
- CIS 399 Special Topics - Open Source Software Development: five times between Spring 2014 and Fall 2016
- CIS 400/401 Senior Project: Fall 2017/Spring 2018
- CIS 542 Embedded Systems Programming: five times between Spring 2011 and Summer 2013
- CIS 573 Software Engineering: seven times between Fall 2011 and Fall 2017

- CIS 700 Special Topics - Programming & Problem Solving: four times between Summer 2012 and Fall 2013
- CIT 593 Intro to Computer Systems: three times between Fall 2010 and Fall 2012
- CIT 594 Data Structures and Software Design (Online): four times between Summer 2019 and Summer 2020
- CIT 595 Computer Systems Programming: eight times between Spring 2011 and Spring 2020

### **Columbia University (2006 - 2009)**

- COMS 1004 Intro to Computer Science and Programming in Java: five times between Fall 2006 and Summer 2009
- COMS 1007 Object-Oriented Programming: Summer 2007 and Summer 2008

### **Publicly available online courses**

- Computational Thinking for Problem Solving (Coursera), launched October 2018

## **Journal Articles**

J. Bell, **C. Murphy**, G. Kaiser, “Metamorphic Runtime Checking of Applications without Test Oracles”, *CrossTalk: The Journal of Defense Software Engineering*, Volume 28, Issue 2, Mar-Apr 2015, pp. 9-13.

“Addressing Diversity & Inclusion Issues in Computer Science through Contributions to Free and Open Source Software” (Birds of a Feather session co-organizer), 2017 ACM Richard Tapia Celebration of Diversity in Computing, Atlanta GA, Sept 21, 2017.

“Community Engagement with Free and Open Source Software” (panel moderator), 48th ACM SIGCSE Technical Symposium on Computer Science Education, Seattle WA, Mar 9, 2017.

## Service

**Acting Department Chair**, Bryn Mawr College Dept. of Computer Science, Spring 2023.

**Program Coordinator**, Bryn Mawr College Dept. of Computer Science, 2020 - 2023.

**Faculty Co-Director**, Univ. of Pennsylvania Online Masters of Computer & Information Technology Program, 2018 - 2019.

**Faculty Director**, Univ. of Pennsylvania Masters of Computer & Information Technology Program, 2014 - 2018.

**Organizing Committee Co-Chair**, Univ. of Pennsylvania CIS Department Summit on Diversity & Inclusion, 2018 - 2019.

**Paper Reviewer**, ACM SIGCSE Technical Symposium on Computer Science Education, 2012 - 2017, 2023.

**PC Member**, International Workshop on Metamorphic Testing, 2016 - 2017.

**PC Member**, Conference on Software Engineering Education & Training, 2012 - 2013.

**Co-Chair**, First International Workshop on Software Test Output Validation, 2010.

**PhD Committee Member**, Columbia University Dept. of Computer Science, Fall 2008-Spring 2010.

**Emerging Scholars Program Coordinator**, Columbia University Dept. of Computer Science, Spring 2008-Fall 2009.

**TA Coordinator**, Columbia University Dept. of Computer Science, Fall 2007-Fall 2008.
